## Additional Requirements/Notes:

You have 72 hours from the time you accept the job offer to take your drug test. Failure to complete the drug testing within 72 hours is considered a rejection of the Company conditional employment offer. Do not drink excessive fluids. If you produce a diluted urine specimen, you will be allowed one re-test. Two tests with diluted results will preclude you from any future employment opportunities with PG&E. It is imperative that you remain at the testing facility until your test is completed. If you do not provide a sufficient urine sample for any reason or choose to abandon the testing process, your job offer will be rescinded.
